Spreadsheet  
Word Processing  
English  
Christianity, Cultures and Organizations

**1** The approval in the subjects of the Compulsory Core Courses and Mandatory Specific Courses and Optional Courses of the Católica Porto Business School is required, or the crediting of subjects with equivalent contents done outside the Católica Porto Business School. (In a previous course, international mobility, or as an external student to complete the degree).

**2** In international mobility contexts it is possible to substitute a maximum of 3 courses – 18 ECTS – by others from the same scientific area of the student's degree, subject to previous authorization of **study plan** and/or **formal request**.

**3** The approval to Free Elective Courses of Católica Porto Business School is required, **crediting** of subjects with equivalent contents done outside the Católica Porto Business School (in a previous course, international mobility, or as an external student to complete the degree), or the crediting of other subjects of economics, management, or other scientific areas, in Undergraduate Degrees of Católica Porto or any other School in the country or abroad, subject to authorization of **study plan** and/or **formal request**.

**4 Spreadsheet and Word Processing** – it is required to pass the Diagnosis Test of Católica Porto Business School or one of the short-term computer courses of Católica Porto Business School.

**English level B2** – it is required to pass the Diagnosis Test of Católica Porto Business School, the Final Exit Test associated with the English Semester Course of Católica Porto Business School, or the **crediting** (official diploma level B2 [CEF] or recognized diploma [Cambridge FCE, Cambridge-Michigan ECCE and ECPE, TOEFL, IELTS, BULATS]).

**Christianity, Cultures and Organizations** – it is required the approval of the additional curricular unity from Católica Porto Business School.

**Important to consult:**  
– Evaluation Regulation;  
– Progression Regulation;  
– Crediting Regulation.
